Introduction

The Nursing Informatics facility committees are extension of Nursing Informatics Department. They help to reinforce nursing participation in Nursing Informatics operational activities in the facilities, providing valuable inputs to Clinical Information System related activities, and acting as a liaison between nurses and Nursing Informatics. Hence, enhancing the performance of Nursing Informatics facility committees will positively reflect on the presence and achievements of Nursing Informatics in the facilities.

Therefore, in order to boost the performance of those committees and improving their levels of engagement, the Nursing Informatics Task force (ISTF) committee is proposing to initiate a healthy competition between NI committees in the facilities. Part of this will be a competition wherein committees will be asked to create one Nursing Informatics-themed artistic poster and one short video.
